Durweston Church of England Voluntary Aided Primary School

Supplementary Information Form for Admission to the School on Religious Faith Grounds

The admissions policy for the school states that pupils will be considered for admission to the school if they attend church regularly (at least once a month) and have done so for at least the previous six months. In this case "Church" refers to a Church of England Church or to another Church which is a member of Churches Together in Britain and Ireland (see criteria **(3)** of the admissions policy). In the event that during the period specified for attendance at worship churches have been closed for public worship and have not provided alternative premises for that worship, the requirements of these arrangements in relation to attendance will only apply to the period¹ when churches or alternative premises have been available for public worship.

In order to confirm church attendance, please ask your parish priest or minister to complete and sign this form which must be returned by the date indicated. Because of LA deadlines we are unable to accept forms after this date.
